Result: COMPLETE:

See School Reported column for possible discrepancy(ies).

There is a possible discrepancy between what the applicant reported and what the educational institution reported.

There is a possibility of a record keeping error by the educational institution, or the difference is minimal or there was a difference of terminology between the school and applicant. If further information is necessary, the applicant can be asked to produce copies of relevant documents concerning their educational history. If further information is necessary, the applicant can be asked by the employer to produce copies of relevant documentation
